### Description

CAPTAIN JACKS offers Sealife Adventure Trips and is the only Licensed Whale and Dolphin watching operator in Hout Bay.

As soon as there's a sighting of either of these magnificent creatures, we can get you out to see them on our 'ready to go,' 400 bhp 'Gemini,' commercial power boat with one of our knowledgeable and informative Skippers.

Hout Bay is just 20 minutes from Cape Town and is one of the most stunning bays in the world.

An archetypal Pirates Cove, it's the perfect place to start your Whale, Dolphin and Seal watching adventure.

There are Southern Right, Humpback and Brydes Whales, Long Beaked Common and Heavyside Dolphins, Sun Fish and Cape Fur Seals in abundance.

It is not just about Sealife - Book a trip and visit the Duiker Island Cape Fur Seal Colony, passing the world famous Big Wave Surfing - Dungeons. The Shipwreck of the BOSS 400 in Maori Bay. Spectacular views of the Sentinel, Karbonkelberg and Chapman's Peak

Our Gemini rubber duck is fully licensed and SAMSA approved, and built for speed.
